

Frezzi®

New & Improved
Higher CRI & Output!

SkyLight

NEW

Compact Portable LED with HMI Type Output Another Frezzi Breakthrough!

WEATHERPROOF

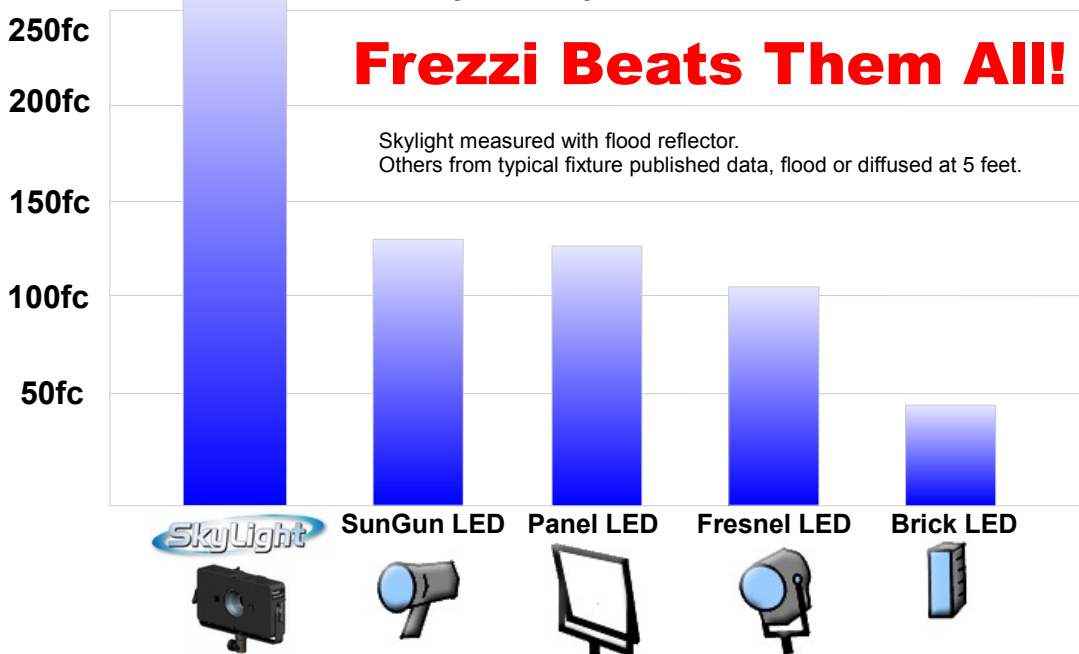

High Intensity Daylight-Usable LED that Doesn't Fade in the Sun

The advanced **SkyLight** delivers an impressive amount of daylight-balanced light suitable for indoor/outdoor news gathering and field production. It's a highly portable LED fixture powered by standard broadcast batteries, DC or AC power. Delivers equivalent light to a 650 Watt tungsten or 200W HMI source while drawing only 75W of power. Fully dimmable with selectable beam angles using quick change reflector technology.

- Ultra High Output
- Long Run Time
- Small & Compact
- High Quality White Light
- True Color Dimming
- Wide Range Input
- Weatherproof and SAFE
- Frezzi Reliability
- Silent Operation
- Complete Accessories

280 fc at 5' in flood, 640 fc at 5' in spot – Highest output in power class
 1 Hour with Frezzi FLB-100 battery, Over 2 Hours with NEW Frezzi FLB-240 battery
 Portable "Run & Gun" in complete travel-friendly 1,2 and 3 head light kits
 90CRI single source 5600K daylight light without pixilation or color fringing
 100% to 0 dimming without color shift
 12 to 36 VDC, using A/B or V-Mnt. battery, 30V belts/power packs / AC power supply
 Usable in all weather conditions - No AC power required
 All aluminum design built to Frezzi "industry work horse" standard. 50,000hr LED life
 No fan with reliable and rugged passive cooling
 Barn doors, Filters and Softbox available

Output Comparison at 5 feet in foot-candles

- Shoot Brighter!
- In ALL Weather!
- Shoot Longer!
- Travel with less!
- Quick Setup!

Made in USA
2 Year Warranty

During the "Biblical Flooding" event in Boulder Colorado the Frezzi lights worked for 5.5 hours in an incredible downpour before being given a break... provided us the ability to light this dangerous event and broadcast incredible images to our viewers while keeping the crew safe from electrical hazards. It also allowed the chief photographer to light as he needed to with full control over his lighting scheme. Major kudos to you and Frezzi for manufacturing a dominate lighting system capable of supporting the real world news environment. ~ Alan K. KOAA TV Colorado Springs

SMART ALTERNATIVE TO HMI'S KITS

- Lightweight and affordable loaded AC/DC Kits
- No ballast, cables or AC required
- SAFE DC operation and Fully Weatherproof
- Instant ON and FULLY dimmable
- No UV output concerns
- Rugged and dependable 50K hour LED life
- No fan silent reliable operation
- Everything included in case with 7' stand
- Great for ENG, EFP and Photojournalist

ITEMS IN KIT

Model	Description
SKY1A	SkyLight with AB Bracket
FLB-100	Battery 100WH AB Mount
FLC-1	Charger for Battery
FPS-90	AC Power Supply, 90W
SLBD-C	Barn Door Combo Diff/CTO
FHMS	Mini-Heavy Duty Stand 7'
SLGP	Filters Diff/color corrector
SPT-R	Reflector, Spot 28°
SPT-F	Reflector, Flood 64° (installed)

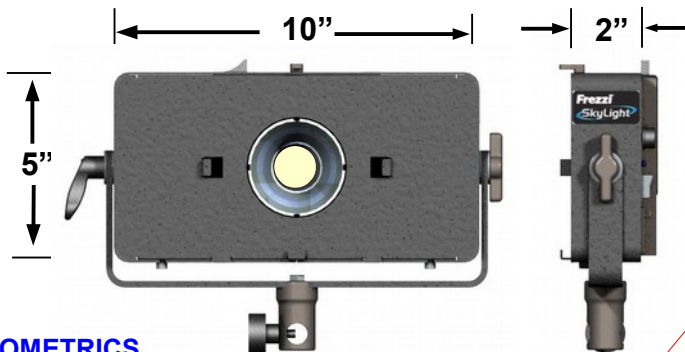

- Includes rugged water tight travel case with pull handle and wheels.

**FREE STANDING!
HIGHEST OUTPUT!
NO CABLES!
ALL WEATHER AND SAFE!**

V-mount, without batteries and custom kits available.
