

Professional Power & Lighting

Compact Portable LED with 200W HMI Type Output

25% BRIGHTER 15% MORE RUN TIME

High Intensity Daylight-Usable LED that Doesn't Fade in the Sun

The advanced **SkyLight** delivers an impressive amount of daylight-balanced light suitable for indoor/outdoor news gathering and field production. It's a highly portable LED fixture powered by standard broadcast batteries, DC or AC power. Delivers equivalent light to a 650 Watt tungsten or 200W HMI source while drawing only 75W of power. Fully dimmable with selectable beam angles using quick change reflector technology.

- **Ultra High Output** 350 fc at 5' in Flood, 680 fc at 5' in spot – Highest output in power class
- **Longer Run Time** Almost 1-1/2 Hours with Frezzi FLB-100 Battery
- **Small & Compact** Portable "Run & Gun" in complete travel-friendly 1,2 and 3 head light kits
- **High Quality White Light** 90CRI single source 5600K daylight light without pixilation or color fringing
- **True Color Dimming** 100% to 0 dimming without color shift
- **Wide Range Input** 12 to 36 VDC, using A/B or V-Mnt. battery, 30V belts/power packs / AC power supply
- **Weatherproof and Safe** Usable in all weather conditions - No AC power required
- **Frezzi Reliability** All aluminum design built to Frezzi "industry work horse" standard. 50,000hr LED life
- **Silent Operation** No fan with reliable and rugged passive cooling
- **Complete Accessories** Barn doors, Filters and Softbox available

Skylight measured with flood reflector. Others from fixture published data sheets

- Shoot Brighter!**
- In ALL Weather!**
- Shoot Longer!**
- Travel with less!**
- Quick Setup!**

During the "Biblical Flooding" event in Boulder Colorado the Frezzi lights worked for 5.5 hours in an incredible downpour before being given a break... provided us the ability to light this dangerous event and broadcast incredible images to our viewers while keeping the crew safe from electrical hazards. It also allowed the chief photographer to light as he needed to with full control over his lighting scheme. Major kudos to you and Frezzi for manufacturing a dominate lighting system capable of supporting the real world news environment.~ Alan K. KOAA TV Colorado Springs

SMART ALTERNATIVE TO HMI'S KITS

- Lightweight and affordable loaded AC/DC Kits
- No ballast, cables or AC required
- SAFE DC operation and Fully Weatherproof
- Instant ON and FULLY dimmable
- No UV output concerns
- Rugged and dependable 50K hour LED life
- No fan silent reliable operation
- Everything included in case with 7' stand
- Great for ENG, EFP and Photojournalist

ITEMS IN KIT

Model	Description
SKY1A	SkyLight with AB Bracket
FLB-100	Battery 100WH AB Mount
FLC-1	Charger for Battery
FPS-90	AC Power Supply, 90W
SLBD-C	Barn Door Combo Diff/CTO
FHMS	Mini-Heavy Duty Stand 7'
SLGP	Filters Diff/color corrector
SPT-R	Reflector, Spot 28°
SPT-F	Reflector, Flood 64° (installed)

- Includes rugged water tight travel case with pull handle and wheels.

**FREE STANDING!
 HIGHEST OUTPUT!
 NO CABLES!
 ALL WEATHER AND SAFE!**

V-mount, without batteries and custom kits available.
